

Cadre of Coaches

Purpose

The primary purpose in identifying a cadre of coaches is to provide expertise that will enhance the professional learning support services provided by each state to their binational migrant professionals and educators. The trained coaches will provide researched based information and will seek expert resources from the InEt states to add relevant content to the training modules. This list may be expanded as directors make new recommendations.

Cadre of Coaches

Coach	Contact Info	Area(s) of Expertise	Related Module	State Represented
Christina Álvarez	alvac@d55.k12.id.us 208-221-4916	Teacher Exchange	1, 3	ID
