

InET Consortium Webinar

January 2, 2013

10:00 a.m. – 11:30 a.m. (CST)

A G E N D A

Welcome and Roll Call

Purpose

- To review and discuss the team's work in developing training modules
- To outline and review the first module we will develop
- To answer and clarify any questions pertaining to the work session

Exit Outcome

- Describe the work to be done related to modules and the expectations of each team member on timelines and outcomes

Modules and Electronic Materials

- Review and discuss the PPT: "Designing Instructional Modules to Support Binational Students"
- Review components of the overall module (PPT, materials, HOs, activities, notes)
- Review proposed Module 1 and seek input on topics for other modules
- Seek input and ideas on overall work related to developing training modules

Cadre of Coaches (worker bees)

- Role of the State Directors
- Expectations and agreements of work team members
- Review agenda for the upcoming work session

Brochure

- Review content and format
- Seek input

"Survey Says..."

- Administered survey to see what is in place, of high priority, and of interest
 - Timeline
-
